Tick each skill your child can do. There are no wrong answers — this is a guide, not a test.

Communication & language

- Uses around 10–20 words
- Points to show you things they want or find interesting
- Understands and follows simple instructions
- Tries to copy words you say
- Points to a few body parts when asked

Social & play

- Brings things to show you to share interest
- Enjoys simple pretend play (feeding a doll)
- Looks for your reaction in new situations
- Shows affection to familiar people

Movement & self-care

- Walks on their own
- Scribbles with a crayon
- Drinks from a cup and tries to use a spoon
- Helps with dressing (holds out an arm)

Doesn't point to show you things

Doesn't copy others or play simple pretend

Not walking

If several of these feel familiar, an early, gentle check brings clarity — and support while it helps most.
